

Western Engineering Outreach Bursary Form 2022-2023

Western Engineering Outreach is a not-for-profit organization delivered out of Western University. Thanks to the generous contributions of our supporters, we are able to offer bursaries that subsidize program fees . To be eligible for a bursary, please complete the following form in full. **All applications will be kept in the strictest confidence and are destroyed once the program is complete.**

Please note the following:

- **Although our desire is to support campers in need, there are a limited number of bursaries available.**
- Please fill out all sections of this form. **Incomplete applications will not be considered.**
- At the end of the year, it is our best practice to send a thank you to the supporters of our Bursary Program. If you or your child wish to contribute via letter or drawing, we are happy to deliver it. No names are required.
- **Only one week or session of programming per child can be subsidized through this program.**
- This form is in replacement of registering online – upon completing the form please email the form to discover@uwo.ca so we can review your application.
- All submissions will receive a follow-up email indicating whether or not they received a bursary.

The deadline for application submissions is ongoing.

Completed forms can be emailed or mailed to Western Engineering Outreach at:
